

Incoming Wiring Instructions

MT103 Format

i Please ensure your sending parties follow the updated wiring instructions below, as we've recently made some changes to our intermediary banks.

EPB will not be held responsible for any client errors or omissions. We recommend you bookmark and reference the link [Incoming Wiring Instructions](#), as opposed to saving the PDF on your computer. This ensures you have the most up-to-date instructions. Second, please read our [Wire Transfer Disclaimer](#) before sending your first transfer.
